MORNING ASSEMBLY

MESSAGE FROM PRINCIPAL

The person you think of yourself exists only for you and even you didn't really know who that is. Every person you meet, your relatives, friends or someone you make an eye contact on the streets with, creates a version of "YOU" in their heads. You are not the same person to your parents, siblings than you are to your friends or colleagues. There are a thousand different versions of yourself out there in people's minds.

At **Darshan Academy**, we design this "YOU" that would cast the same lasting impression. This design is woven intricately with the help of values and a specially curated curriculum. Join us to make "YOU", the noblest version of your souls.
